*Website: <https://hilcodr.com>*

### **Core Competencies**

- Rapid disaster cleanup and debris removal
- Flood and water damage restoration
- Fire damage cleanup
- Mold remediation
- Emergency response and site stabilization

### **Differentiators**

- Woman and minority-owned small business
- Fast mobilization across Virginia, North Carolina, South Carolina, Florida—and available nationwide
- Owner-led with hands-on emergency response experience and clear, direct communication
- Subcontracting Ready: Actively seeking subcontracting opportunities to build federal performance

### **NAICS Codes**

- 562910 – Remediation Services
- 561790 – Other Services to Buildings and Dwellings
- 562119 – Other Waste Collection
- 561720 – Janitorial Services
- 624230 – Emergency and Other Relief Services

### **Primary Service Areas**

Virginia (VA), North Carolina (NC), South Carolina (SC), Florida (FL) — Available Nationwide

### **Relevant Experience**

Though Hilco Disaster Recovery Group is new to direct federal contracting, its foundation is built on strong operational readiness and deep field experience

### **Leadership with Crisis Backgrounds**

Owners bring healthcare emergency management experience, translating into efficient crisis response, enhanced crew safety protocols, and operational clarity. This ensures timely, health-conscious, and methodical recovery efforts.

### **Skilled, Field-Tested Crew**

Hilco's disaster recovery professionals bring years of on-the-ground expertise in post-storm environments. The team has successfully performed:

- Rapid cleanup
- Water and flood restoration
- Fire and smoke damage mitigation
- Mold remediation
- Debris removal

Crews are trained to mobilize quickly, integrate safety protocols, and communicate effectively in high-pressure disaster scenarios.

*Note: Actively seeking sub-contracting opportunities to build federal performance.*
